

----- SPRINT 2 REPORT -----

Product Name: Data Visualization Climate Change

Team Name: Data Visualization

Sprint Completion Date: February 14, 2018

----- ACTIONS TO STOP DOING -----

- Stop planning generic meeting plans.
 - Discord/ Room 316
 - Sat 2pm(in person), Mon 11am(voice), Tues 8am(in person TA), Thurs 12:30-12:45(voice)
 - Created fixed schedule with meeting times
 - Come to prepared to meetings with docs already complete
- Stop putting half of our user stories into d3 specifics

----- ACTIONS TO START DOING -----

- Push to github more frequently
 - Per person only did ~2 in a week
- Start putting more user stories and tasks focusing on the main website such as visualizations
- Actively use and update the Scrum Board on Trello

----- ACTIONS TO KEEP DOING -----

- Find unique visualizations other than simple visuals on our topics in d3.
- Keep Communicating and showing up on time on meetings
